ST. ANDREW—GREENWALD, ST. JOHN—MEIRE GROVE,  
ST. MARY—MELROSE & ST. MICHAEL—SPRING HILL**

**THIRTY - FIRST SUNDAY IN ORDINARY TIME, NOVEMBER 3, 2019**

**Parish Council Message ...**

- **Lawsuit Update.**
- **New activity.** The “Restore Group” has requested that the Minnesota Supreme Court review the September 3, 2019 decision of the Minnesota Court of Appeals that affirmed the District Court decision dismissing the "Restore Group’s” lawsuit against the Church of St. Mary, Diocese of St. Cloud, and Bishop Kettler. Legal counsel for the Church of St. Mary is waiting to hear whether the Minnesota Supreme Court will review the Court of Appeals’ decision. Unlike the Minnesota Court of Appeals which hears all appeals, the Minnesota Supreme Court grants only a fraction of the requests for review.
- **Financial cost.** To date our parish has spent over \$240,000.00 in legal fees regarding the “Restore Group” actions.
- **Church Building Team Update.**
- **Construction.** Construction is becoming vertical as concrete, steel and wood framing is rising from the foundation. Currently, the Administration Space is being framed. That will be followed by the steel support and wood framing of the Worship Space and the Gathering Space. This is currently visible from the cemetery and Kraft Drive.
- **Historical items.** Our beautiful Rose Window, the Stained Glass Windows that will be used in the initial phase one of construction, the Tabernacle, the Sanctuary Lamp, and the Stations of the Cross are being cleaned, repaired and refurbished for installation in the new Worship Space. We are hoping and planning to remove and refurbish the bells for the new bell tower.
- **New items.** Samples of worship space tile, stone, carpet, paint and wood stain along with a photo of the new hand-crafted wooden Marian Shrine will again be on display before and after masses for all parishioners to see and discuss with members of the Church Building Team.
- **Marian Shrine.** This custom carved image of Mary is the result of much prayer, conversation and research. After the August, 2018 gathering and listening to parishioners speak on their experiences of the Virgin Mary, and parish dialogue, the idea emerged to create a unique image reflecting our multicultural community. This art is inspired by the divinely authored image of Our Lady of Guadalupe in 1531 and the traditional European image of The Virgin of Mercy, was first seen in Germany in 1480. She will be approximately 5’6” tall and be the only image of our Lady in the new worship space. She has been hand carved in Oberommergau , Germany. The design committee, our Spanish speaking parishioners and our. Liturgical consultant has been very involved and encouraged. We are all blessed by this process.
- **Construction Calendar.** As expected, the construction calendar continues to be subject to adjustment, but we are hoping for completion and celebration of Masses in winter of 2020-2021.
- **Excellent Work!** The Church Building Team, committees, volunteers, Finance Council and Parish Council continue to work very hard on this exciting and important project! This work, commitment, support and prayers by many people including parishioners and volunteers are building a beautiful and sacred Church for our parish and community!
