**Church Building Team Update.**

- The Apex, Steel and Wood continue to Rise Up!
- Construction is on Schedule!
- The New Church should be completed and in use by Winter 2020-2021.
- We are looking forward to placement of the Interior Ceiling Beams soon.
- We were blessed to have Ken Griesemer, our Liturgical Design Consultant, join us as we move forward with this construction and design. He continues to work closely with our architects and the Design and Construction Committees. The Design Committee is working closely with him as we collaborate on the design and specifics of the Altar Table, Ambo, Presider's Chairs, Credence Table, Tabernacle, Chapel of the Blessed Sacrament and More. Much work occurs via electronic communications and phone, but it is important for us to be together at times as these important discussions occur.
